Conemaugh Nason Medical Center, part of the Conemaugh Health System, has been providing outstanding care to Roaring Spring and surrounding communities for more than 100 years. We are working hard to bring new programs and physician specialists to Nason to help advance our mission of making our community healthier.

CEO

At **Conemaugh Nason Medical Center,**

we spent 2016 exploring ways to advance our mission of making the communities of Roaring Spring and the surrounding region healthier. And by focusing our efforts on creating a place where people choose to come for healthcare, physicians want to practice and employees want to work, our more than 100 year legacy of caring for our communities is stronger than ever.

Inviting the best physicians into our communities and supporting them is one of the most important drivers of our ability to offer the best possible healthcare to our community. During the past year, Nason added **12 new physicians** in a number of service lines, including obstetrics and gynecology, pediatrics, cardiology, emergency medicine, neurology, pathology and pulmonology. Vascular studies and expanded cardiology services (ICD implantation) were also added in 2016.

And while **delivering high quality patient care close to home** is the single most important contribution we make, there are many other ways we're making a positive impact in our communities.

In creating excellent workplaces for our 314 employees, we made **\$1,252,012 in capital improvements** in 2016, including facility infrastructure improvements and orthopedic surgical equipment upgrades, and we managed and distributed an **annual payroll of \$20,721,755.**

We are proud to take a **leadership role in our communities** and are committed to delivering needed healthcare to everyone, regardless of their ability to pay. In fact, in 2016 we donated **more than \$1.13 million in healthcare services to those in need.**

We are also committed to **ensuring fiscal responsibility** – both at the hospital and in the community. In 2016, we paid a total of **\$144,551 in taxes,** as well as provided numerous sponsorships and donations to local organizations.

Nason hosts Heart Month display and teaches hands-only CPR to staff and the public.

Nason hosts organ donation event.
