*At Providence Health, our goal is to deliver the highest quality healthcare in the Midlands, as we work to achieve our mission of Making Communities Healthier by Extending Christ's Healing Ministry.*

—Scott Campbell,  
Market CEO

At **Providence Health**, we spent 2016 exploring ways to advance our mission of Making Communities Healthier by Extending Christ's Healing Ministry. And by focusing our efforts on creating a place where people choose to come for healthcare, physicians want to practice and employees want to work, our legacy of caring for our communities is stronger than ever.

**Inviting the best physicians into our communities and supporting them** is one of the most important drivers of our ability to offer the best possible healthcare to the region. During the past year, Providence Health added **35 new physicians** in a number of service lines, including cardiology, dermatology, emergency medicine, family medicine, general surgery, hospital medicine, infectious disease, internal medicine, nephrology, ophthalmology, orthopedics, oncology, gynecology, otolaryngology, pulmonology, radiology, radiation oncology and neurology.

And while **delivering high quality patient care close to home** is the single most important contribution we make, there are many other ways we're making a positive impact in our communities.

In **creating excellent workplaces for our 1,759 employees**, we made **\$17,375,077 in capital improvements** in 2016, including new patient beds, and managed and distributed an **annual payroll of \$117,012,631**.

We are proud to take a **leadership role in our communities** and are committed to delivering needed healthcare to everyone, regardless of their ability to pay. In fact, in 2016 we donated **more than \$7.78 million in healthcare services to those in need**.

We are also committed to **ensuring fiscal responsibility** – both at the hospital and in the community. In 2016, we paid a total of **\$6,810,427 in taxes**, as well as provided numerous sponsorships and donations to local organizations.

Providence Health's downtown lab staff gives back.

Providence Health participates at the Soda City Farmers' Market.

Providence Health is a proud sponsor of the Midlands Heart Walk.

Providence Health was the top fundraiser for the South Carolina Nurses Foundation's 2016 Nurses Walk.

### *Love your neighbor as yourself*— Matthew 22:39

Providence Health is committed to supporting local businesses when possible through a wide range of short-term and long-term contracts for a variety of services.

Each month, registered dietitian Kay MacInnis and her team of chefs from Providence Health host a themed healthy cooking class, with a sophisticated twist and varied special guests. The location alternates between our Northeast and Downtown campuses.

Our monthly Providence Talks! FREE community lecture, is a physician-hosted event that lets you hear, first hand, about timely topics in the doctor's specialty.

## LIFEPOINT HEALTH®

MAKING COMMUNITIES HEALTHIER

*Charity and other uncompensated care includes hospital costs not covered by Medicaid reimbursements and supplemental payments, as well as charity care and bad debt. "Physician recruitment costs" include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. "Capital investments" include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates, and routine facility upkeep and maintenance. All references to "LifePoint," "LifePoint Health" or the "Company" used in this release refer to affiliates or subsidiaries of LifePoint Health, Inc.*

*Providence Health is part of LifePoint Health®, a leading healthcare company dedicated to Making Communities Healthier. Through its subsidiaries, it provides quality inpatient, outpatient and post-acute services close to home. LifePoint owns and operates community hospitals, regional health systems, physician practices, outpatient centers, and post-acute facilities in 22 states. It is the sole community healthcare provider in the majority of the non-urban communities it serves. More information about the company can be found at [www.LifePointHealth.net](http://www.LifePointHealth.net).*
