Our Community Impact

2022 Community Benefit Report

Lifepoint Health is proud to serve as a leading healthcare provider for patients, clinicians, communities and partner organizations across the healthcare continuum. Our growing diversified healthcare delivery network consists of community-based hospitals, rehabilitation and behavioral health hospitals, and additional sites of care spanning from coast to coast.

Our more than 50,000 dedicated employees are sharply focused on advancing our mission of *making communities healthier*. We not only support the health of the people we serve, but we also give back and make investments that meaningfully contribute to the economic strength and development of communities across the United States.

Our annual Community Benefit Report shows the broad scope of our contributions nationwide. Below is a summary of the collective impact of our facilities in 2022.
