1705 Tarboro Street, Wilson, North Carolina 27893 | 252.399.8040

*As a Duke LifePoint hospital, our goal is to deliver quality healthcare as we strive to make our community healthier and provide extensive resources to the residents of Wilson County.*

—Bill Caldwell, CEO

At **Wilson Medical Center**, we spent 2016 exploring ways to advance our mission of making the communities of Wilson County and surrounding areas healthier. And by focusing our efforts on creating a place where people choose to come for healthcare, physicians want to practice and employees want to work, our legacy of caring for our communities is stronger than ever.

**Inviting the best physicians into our communities and supporting them** is one of the most important drivers of our ability to offer the best possible healthcare to our community. During the past year, Wilson Medical Center added **20 new physicians** in a number of service lines, including general surgery, orthopedics, endocrinology, cardiology, emergency medicine, hospital medicine and more.

And while **delivering high-quality patient care close to home** is the single most important contribution we make, there are many other ways we're making a positive impact in our communities.

**In creating excellent workplaces for our 1,076 employees**, we made **\$8,611,693 in capital improvements** in 2016, including hospital-wide renovations and a new behavioral health unit. In addition, we managed and distributed an **annual payroll of \$65,297,129**.

We are proud to take a **leadership role in our communities** and are committed to delivering needed healthcare to everyone, regardless of their ability to pay. In fact, in 2016 we donated **more than \$9.5 million in healthcare services to those in need**.

We are also committed to **ensuring fiscal responsibility** – both at the hospital and in the community. In 2016, we paid a total of **\$903,079 in taxes**, as well as provided numerous sponsorships and donations to local organizations.

WMC collected more than 275 pints of blood over the course of six blood drives in 2016

WMC donated more than 200 backpacks to Wilson County Schools

Wilson Radiation Oncology celebrates Cancer Survivors Day

## Duke LIFEPOINT HEALTHCARE

*Charity and other uncompensated care includes hospital costs not covered by Medicaid reimbursements and supplemental payments, as well as charity care and bad debt. "Physician recruitment costs" include recruitment costs and support of new physicians' initial practice establishment in the community. Payroll includes consolidated salaries, wages, benefits and contract labor costs. "Capital investments" include facility expansions/renovations, equipment purchases, technology replacement, information technology additions/updates, and routine facility upkeep and maintenance. All references to "LifePoint," "LifePoint Health" or the "Company" used in this release refer to affiliates or subsidiaries of LifePoint Health, Inc.*

*Duke LifePoint Healthcare, a joint venture of Duke University Health System, Inc. and LifePoint Health<sup>®</sup> (NASDAQ: LPNT), was established to build a dynamic network of hospitals and healthcare providers. The joint venture, which brings together LifePoint's experience in community-based hospital management and Duke's world-renowned leadership in patient safety and clinical quality systems, is strengthening and improving healthcare delivery by providing community hospitals the clinical, quality and operational resources they need to grow and prosper.
